

CLARION PARTNERS RECOGNIZED AS 2022 “BEST PLACE TO WORK IN MONEY MANAGEMENT” BY PENSIONS & INVESTMENTS

Presented by Pensions & Investments, the global news source of money management, the 11th annual survey and recognition program is dedicated to identifying and recognizing the best employers in the money management industry.

New York, NY (Dec. 12, 2022) Clarion Partners has been named as a “2022 Best Place to Work in Money Management” for companies sized 100-499 employees as announced by *Pensions & Investments* today.

Celebrating its 40th anniversary this year, Clarion has long worked to offer programs, projects, benefits and professional development opportunities that promote a positive, productive, and inclusive work environment. Over the years, the Firm has quietly built a culture that promotes a focus on outperformance, world-class client service, and a fulfilling employment experience for its many talented team members. In its first year submitting for *P&I*'s consideration, Clarion is proud to receive public acknowledgement of this work, and to share these important Firm attributes broadly.

“At Clarion Partners, our employees are our biggest differentiator, especially in a highly competitive industry, so it exciting that P&I is acknowledging and validating our efforts to sustain a culture of continuous learning, professional growth, collaboration, respect and high performance,” says Dave Kutayah, Head of Human Resources. “I’m thrilled that our employers have recognized Clarion as an employer of choice!”

“As their employees attest, the companies named to this year’s Best Places to Work list demonstrate a commitment to building and maintaining a strong workplace culture,” said P&I Executive Editor Julie Tatge. “Even as firms grappled with volatile markets and stresses from the pandemic, their employees said they felt strong support from their managers, enabling them to do their best work.”

“Pensions & Investments is proud to honor the Best Places to Work in Money Management for the 11th year. A strong workplace culture that supports talent, advocates progress and drives innovation is paramount to driving the best outcomes and these asset managers demonstrate that,” said Chief Operating Officer, Nikki Pirrello.

Pensions & Investments partnered with Best Companies Group, a research firm specializing in identifying great places to work, to conduct a two-part survey process of employers and their employees.

The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies.
